

X-Golf Membership Financial Explanation

At X-Golf, our membership program is designed to provide you with exclusive access to our state-of-the-art facilities and exceptional golfing experiences. To ensure clarity and transparency, we've outlined the key financial aspects of our membership structure:

1. Initiation Fees and Monthly Dues:

- When you decide to become an X-Golf member, initiation fees and your first month's dues are due at the time of membership sign-up.
- Typically, these payments are scheduled for the 1st of the month, ensuring a convenient and predictable billing cycle.

2. Prorated Monthly Dues:

- We understand that golf enthusiasts may join our community at various times during the month.
- In such cases, monthly membership dues will be prorated to reflect the remaining days of the current month.
- This ensures fairness and allows you to enjoy the benefits of your membership without delay.

3. Membership Upgrades and Downgrades:

- We offer the flexibility to upgrade or downgrade your membership at any point during your membership term.
- Changes to your membership level or add-ons will be processed promptly; however, they will commence with the next billing statement.
- This way, you can adjust your membership to suit your evolving preferences and golfing needs seamlessly.

4. Membership Cancellations:

- While we hope you'll enjoy being part of the X-Golf community, we understand that circumstances may change.
- Membership cancellations are available for your convenience.
- Please note that your membership privileges will remain active until the following 1st of the month after your cancellation request, ensuring you get the most out of your membership until the end of the current billing period.

At X-Golf, we are committed to delivering exceptional value and an outstanding golfing experience to our members. Our transparent and flexible financial structure is designed to accommodate your needs, ensuring that you can enjoy the world of golf on your terms. We are here to assist you with any questions or membership changes you may require, and we look forward to having you as part of our golfing community.
